

28th October 2008

THANK YOU

On behalf of the Langebaan Canoe Club, we would like to thank your company for its generous contribution to our event.

The Driftwoods Lagoon Dash was another resounding success, made possible by the tremendous support from local business. This year's event had a record 120 entrants and with your continued support, it is set to attract more competitors and paddle enthusiasts to Langebaan next year.

Again, many thanks.

Yours sincerely

CRAIG MALTBY
