

Dear Corinne

To Whom It May Concern

I booked a Cell Revitalization skin care treatment with an Eyelash and Eyebrow Tint at Zest Health & Beauty Spa at Langebaan Country Estate in October 2009.

What a wonderful experience! Very soothing, very relaxing and my skin felt great afterwards. No cloying creams or anything. They were professional and friendly.

I would highly recommend Zest Health & Beauty Spa for anyone living in and around Langebaan and who is visiting the area on holiday.

Kind regards

Janet
