

Dear Andre,

I wanted to drop you a note to wish you my sincere and VERY justified congratulations for a truly superb event this past weekend that you and all the staff at the Club presented for Boland Ladies Golf.

With a record entry of 256 ladies (I'm very sure that the outstanding venue choice was responsible for this!), the Club had it's work cut out for them.

Ralph and the kitchen and bar team did an outstanding job, offering friendly and fast service, excellent quality meals and enthusiasm from the organising committee's point of view. Nothing was too much trouble and everyone involved went beyond the extra mile!

Klassie and his team, including Richard presented a golf course and driving range of the highest standard. The hard work every morning, cutting the greens, preparing the bunkers and moving the pin placements did not go unnoticed and we have much to be proud of in terms of the quality of our course during this event.

Marianne and her team of housekeepers were also fabulous, paying the utmost attention to detail and ensuring that the bathroom and change facilities were kept up to scratch throughout the event. The little Mother's Day 'shrine' in the lobby was a gorgeous touch as was the 'urinal decor' in the men's change room!

While the pro-shop did not really have much involvement in the event, they too were visible and provided friendly service to the ladies.

Andre, that only leaves you and the rest of the admin team. Ultimately, you achieved what, so far, we don't often see..... a true team effort! I and the rest of the Langebaan team were so proud to be members of this golf course. Your friendly attitude, visibility and overall enthusiasm throughout was like a breath of fresh air. You really deserved the accolades you received at the final prizegiving.

Finally, I hope that the Club itself enjoyed the benefit of hosting this event and that all the hard word was worthwhile from a revenue and exposure point of view. I certainly think it was!

Please would you pass on my sincere thanks to everyone involved. I appreciate the 'all hands on deck' approach that we received. I really feel that we put our best foot forward and did all we could to ensure we have the opportunity to host the 2010 event.

Kind regards
Kerry Prodehl
