

Langebaan Country Estate Joint Venture

What a privilege it is to live in Ellefsen Village on Langebaan Country Estate. We would like to thank the developer's staff for the fantastic way in which they built our house. It was really a privilege to work with such professional people. They provided us with sensible advice from the very first day, and this helped us tremendously.

They paid immediate attention to every change we asked for and they sent through the costs promptly. We are very satisfied with the high-quality building construction and finishes. Thank you also for the beautiful flowers, useful key holder and lovely wine we received when the key was handed over to us. We also found the after-service rather special. Any changes or adjustments were taken care of immediately. Our heartfelt thanks therefore go to the wonderful builders and project manager.

Should we ever build again, this will definitely be on Langebaan Country Estate with Keyway Construction (Pty) Ltd as the developer's building contractor. We won't hesitate to recommend LCE to anyone.

We thank you!
