Hi Gundela.

I'd just like to thank you and everyone at Langebaan Estate for your incredible hospitality during our stay.

Our shots came out very nicely, even with the weather, and everyone agreed that we could not have chosen a better location!

Your assistance was fantastic, and we'll definitely return. As soon as I get the disc of images, I'll courier this up to you. You're more than welcome to use any that you wish to.

Unfortunately with me ending up in hospital (all fine now!) over the stay I never got to enjoy it as everyone else did, but have been warned to take it easy, so my fiance and I will definitely pop through for a few days during December.

Many thanks again,

Regards,

Simon
