Dear Andre,

Just a short note to say thank you to Langebaan Country Estate for allowing us to host a SuperGolf day at the club on Tuesday, 9 September 2008, despite the weather conditions!

We really had a good day out and would like to thank the following people for all their involvement with the golf day: –

- Firstly to *you* Andre, for all your kind assistance in sorting out everything before our arrival (and during) at the Golf Club. Much appreciated! Also, for your positive mind set and attitude, a brilliant manager!
- To the guys who helped set up branding and for assistance from the proshop.
- To the green keeper and course staff for the great condition of the golf course. We were suitably impressed so well done to the whole team.
- To the staff in the Bar & at Halfway House for their help and to Neville and the catering team for the delicious meal, thank you for accommodating us and our somewhat difficult requests.
- The weather man, even though it was freezing, thanks for keeping the rain away during play!
- For the brilliant accommodation arranged for myself and Dale, we WILL DEFINITELY recommend the facilities!

So on behalf of Dale Hayes Golf Events and SuperGolf we would like to thank all the above mentioned people, as well as all the other committee members/ Langebaan Country Estate Joint Venture members and staff who so kindly assisted us, and made our day at your Estate a much enjoyed one!

Yours sincerely,
V Holliday

Veronica Holliday
